VALLEY PERINATAL'S SERVICE GUARANTEE

Every ultrasound performed by VPS is completed under the following best practices model:

- 1. TECHNOLOGY:** We use state-of-the-art ultrasound imaging technology. Nothing compares to the image quality and diagnostic potential of newer digital ultrasound imaging equipment.
- 2. ARDMS CERTIFIED SONOGRAPHERS:** Every examination is completed by ARDMS certified sonographers, fully trained on the new digital ultrasound technology and experienced in their profession. Our sonographers love what they do. This greatly enhances your patient's ultrasound experience.
- 3. BOARD CERTIFIED PHYSICIANS AND NURSE PRACTITIONERS:** Board certified physicians review and interpret the images captured from every examination. Our maternal fetal medicine physicians are experienced in working with the new digital ultrasound technologies.
